Dear Members of St. Joseph’s Parish:

As the sponsor of [Confirmandi’s Name], I attest to the Confirmandi’s sincerity and effort in striving to develop the qualities we have a right to expect of members of our faith community.

[Mention examples of how the Candidate has changed or become closer to their faith during their journey toward Confirmation. Perhaps mention things that may have been talked about during your four sponsor interviews which show their maturity in their faith.]

I, therefore, personally recommend that the candidate be Confirmed in membership in the Holy Catholic Church.

Respectfully,

[Sponsor Name]
